Dedication

We, the senior Reflector members, are proud to dedicate the 1976 yearbook to Mrs. Catherine Simonton. She has served Ferndale High School for the past ten years in a very unique way. As she goes about her duties as a teacher aide, she brightens up the day for everyone with whom she comes in contact. Although her voice may be more distinct than most, her heart is bigger than most. Her pleasant and bubbling personality is loved and appreciated by both students and faculty.

Mrs. Simonton has been married for the past thirty years to Mr. Thomas Simonton. She is a resident of Ferndale borough; and her three children — Sharon, Tom and Jim are Ferndale Area High School graduates. In her spare time, she enjoys ceramics. Driving through Ferndale on a warm summer night, one might find Mrs. Simonton relaxing barefoot on her porch with her dog, Sam.

We would like to take this opportunity to thank Mrs. Simonton for making our memories of Ferndale High School very heartwarming and certainly more meaningful.

WALT PIETRON

Yeah, I'm a senior, so what about it? So there's only a short while left of school and then I'm out in the big world. Can't wait until graduation night . . . it's gonna be great. But as I look back on my high school years, it wasn't all that bad. Come to think of it I'm really going to miss this place. It wasn't all hard work — there were a lot of good times mixed in. This group of kids I've come to know in the past four years at Ferndale has grown pretty special to me. My class seems to be pretty lucky — we've been a part of many accomplishments, like when the basketball team went to Harrisburg, winning the cheering contest, the baseball championship, and our undefeated football season this year — on our new field. I've seen many victories in all sports, but they're not the only memories that are outstanding in my mind. One thing I'll never forget is my unique sophomore English class. Boy, was that a blast! And there were the "Fifties Days," and our junior prom, Stairway to Heaven, and all the spirit we had before the big Blairsville game. We didn't all experience the same things, but I think we've shared enough of them together to make me feel like I'll be leaving a part of me behind.

What will life hold for me next year? I can't imagine what it'll be like without the routine of FAHS — and sometimes I don't think I want to find out. Graduation. I've been hearing a lot about that word lately, but what does it mean? One thing it means is getting my high school diploma. But what else? I guess it's the first step toward what the future holds for me — and — a time of goodbyes. Sure we'll all say "Good Luck" and "Keep in touch," but I wonder how many of us will. It's nobody's fault though — we have to go our separate ways. Sigh. So goodbye, Ferndale. It was great while it lasted; but now all I have are memories.

Courier

There are two major publications in a school — the yearbook and the school newspaper. Ferndale's newspaper is the "Courier," which is staffed by responsible students who are interested in journalism. The paper reports current school happenings — both serious and lighthearted. The "Courier," this year, as always, contributed to a memorable school term.

Dramatics Club

The Dramatics Club is a very purposeful club at Ferndale. It provides enjoyment for the student body, as well as to the club members. The main function of the club is the production of plays and skits for the enrollment of Ferndale. Through this activity, the club provides a channel for the artistic growth of its members. This is done by attempting set design, enunciation , voice projection, characterization, and a variety of other things. By successfully completing its undertakings, the club provides for the cultural enrichment of our students.

Forensic Team

Under the coaching of Mr. George Ambroe, the Forensic team has proved to be a worthwhile extra-curricular activity at Ferndale.

In developing their public speaking abilities for competition, Ferndale's team members contend in a variety of categories.

Ferndale competes in Appalachia Intermediate Unit 08 High School Speech League and National Catholic Forensic League. They have compiled an excellent record, which in itself is a great accomplishment considering the small number of students at Ferndale.

Art Club, under the supervision of Mr. Eash, is open to tenth through twelfth grade students.

Stage Crew And VTC

Although they are given little credit for their work behind the scenes, the stage crew at Ferndale High School does a great deal toward the preparation for assemblies. With Mr. Wagner as adviser the stage crew is constantly available for stage work, sets, and lighting. The video tape crew, using the equipment to the best of their ability, is also a beneficial addition to Ferndale.

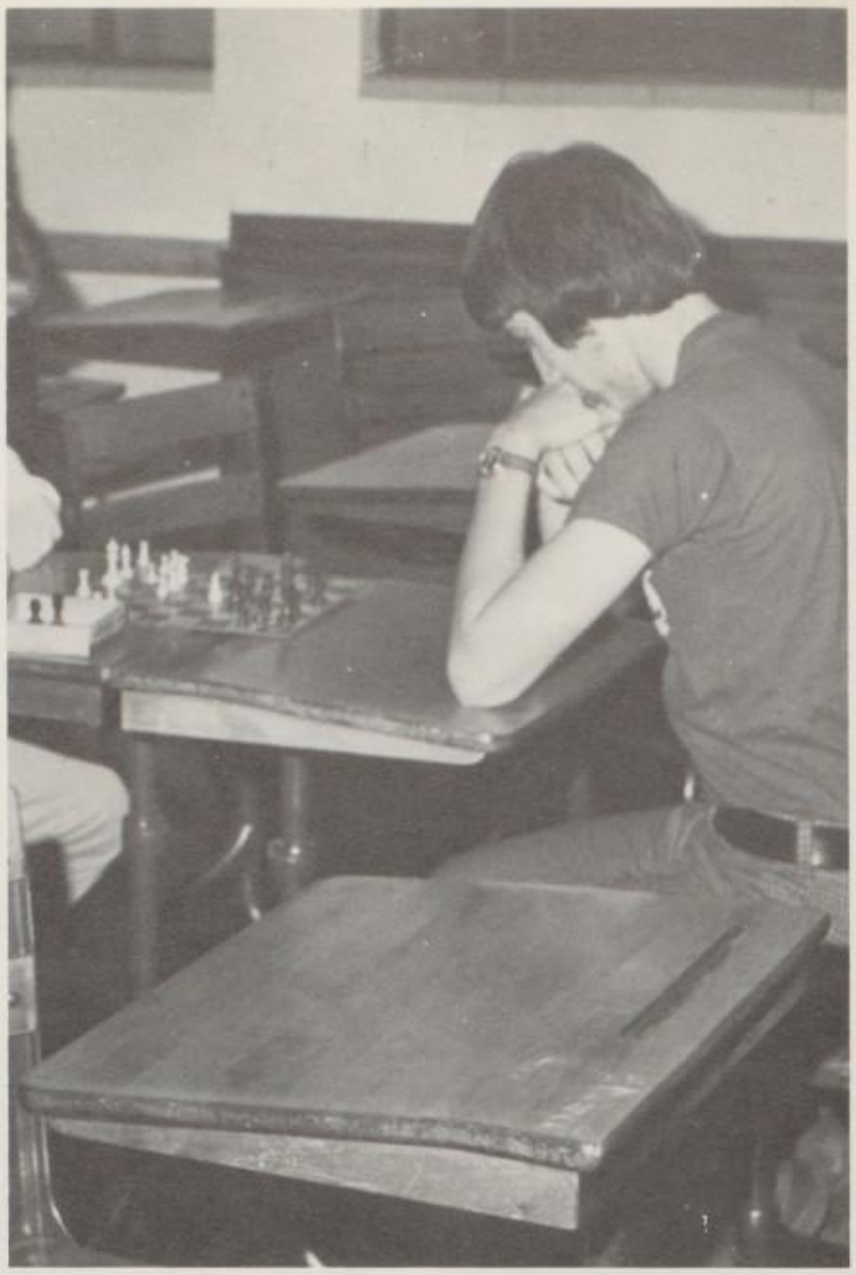
W. Pietron, Pres.; D. Wissinger, Treas.; K. Marsh, Sec.; J. Tober, V. Pres.



Chess Club C

To be classified as an accomplished chess player, one must be intelligent. In order to win such praise, he must start somewhere. Ferndale's chess club was designed to give students a foundation upon which to build. To master the game of chess, one must be mentally alert, able to withstand pressure and well-experienced in theory. This year students at Ferndale have resourcefully used the facility of the chess club.

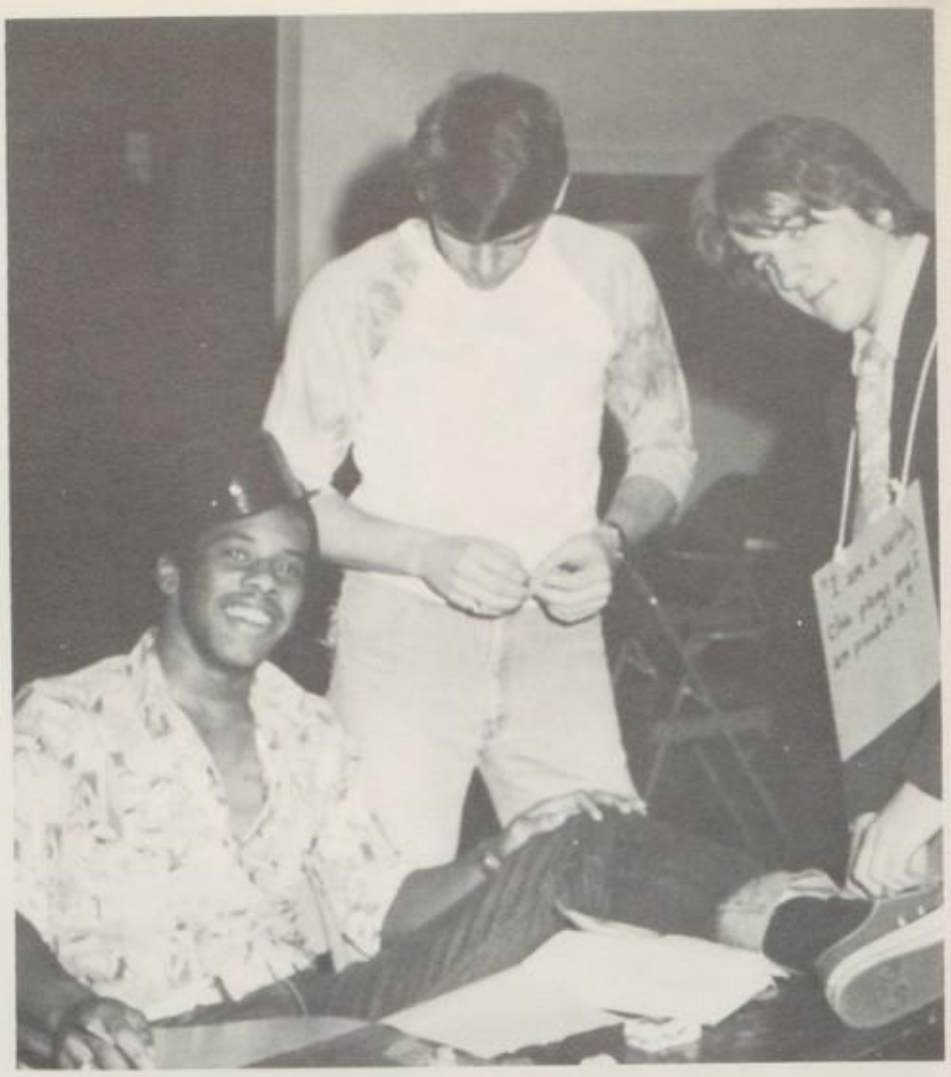
Varsity Clubs

G. Herbert, Sec.-Treas.; Mr. Marsh, Adviser; B. Flick, Pres.; G. Gray, V. Pres.

D. Ziemba, Sec.-Treas.; M. DeLuca, Pres.; Mrs. Simonton, Adviser; S. Marek, V. Pres.

The varsity club at Ferndale is made up of students who excel in the area of sports. These letter-winners demonstrate their excellence on the court, track, and field. Varsity club gives the student a chance to be recognized and honored for his or her ability; thus all Ferndale athletes strive for membership in this club.



The Chorus, under the direction of Mr. Williams, helps to create festive moods for various occasions at Ferndale. Choosing a wide selection for their audience, the chorus put on a Thanksgiving presentation and the annual spring concert. These programs, presented for our listening pleasure, are always well received.

Marching Band

Ferndale's band comprised of dedicated musicians who continue to provide entertainment at Ferndale High School. Their music was a welcome addition at our football games this season. Under the direction of Mr. Stanley Mish, and with practices during eighth period, our band has been able to provide this service and also represent Ferndale in a variety of parades.

Color Guard

Determination, dedication, and drilling are three basic requirements to become a member of the color guard. Ferndale is proud to have such girls who endeavor to uphold the name of Ferndale High School.

Majorettes

Majorettes have the enviable task of arousing school spirit. They do this by combining quick, decisive motions with twirling batons in a routine set to music. Coordination is a must with the majorettes. In addition to coordination, a majorette is evaluated by how well she projects pep and vitality. Ferndale's majorettes exemplify these characteristics whether or not they are performing.

Concert Band

The oncoming of spring, teamed with the annual band concert, are welcome attractions each year at Ferndale. The concert band has yet to disappoint its supporters; it always meets or surpasses the expectations of the public. If a Ferndale student wants to further his musical talents, the concert band will unquestionably fulfill his desires.

Spirit is something on which a high school thrives, and the pep band helps to see that enough of it is incorporated. The stage band contributes to Ferndale by staying abreast of the current popular songs, and performing them excellently at concerts and other band functions.

Pep And Stage Bands

National Honor Society

Each year at Ferndale, a very special group of students is given the honor of being selected into the National Honor Society. These students are chosen for their scholastic ability, leadership qualities, service to the school, and character. The National Honor Society is a club which helps create the incentive of students to work and uphold the qualities needed to be eligible for membership. It is one of the biggest honors that can be bestowed upon a student, and one that should be sought by all Ferndale students.

Gymnastics

J. Herbert, Pub. Rel.; K. Warren, Treas.; D. Dale, V. Pres.; B. Figula, Pres.; D. Winters, Sec.; W. Covalt, Pub. Rel.

Flexibility, poise and grace — just a few of the qualities which a good gymnast must possess. Gymnastics is a must in school curriculum, because it not only helps to strengthen the body, but also the mind. Through concerned coaching, our students are given the opportunity to develop skills in all areas of gymnastics. For this reason, Ferndale students have always excelled in gymnastics, as evidenced by their gym shows of past years.

In addition, the team can boast of the title Appalachian Football Conference East Champions which they received when they defeated Penns Manor. As the team came onto the field, their hearts were filled with the hope of becoming the next Western Division, PIAA champs. The odds seemed to be against them, however, and the night ended in defeat. In the minds of all those associated with football at F.A.H.S., the squad of '75 will always be remembered with pride and honor.

Coaches Haines and Rodgers can be proud of the '75 Junior High football season. The players worked hard; but, the competition was tough. They ended the season with a 2-3-1 record. The players provide future promise in Ferndale football.

Cheering

A new look! That's what the varsity cheerleaders brought back from Nation Wide Camp. Spirit, pride, winning smiles and student involvement were the main objectives of the squad this year. Spending many hours working on their cheers and pep rallies proved to be a great asset, becasue it whipped up the enthusiasm of the student body. This year at Altoona, the cheerleaders took second place, while at the annual Johnstown contest, they captured fourth place honors. The varsity cheerleaders accomplished all of their objectives, if not more.

This year the Jayvee and Jr. High cheerleaders had their work cut out for them. Each squad had a few new faces and proved to be just great! Many thanks to both squads for their spirit.

Girls' Basketball

2, 4, 6, 8 . . . the points never stopped. Our girls' basketball team, with their skillful plans and strategy, never let the fans down with extreme excitement and morale during the games they played. Coach Horvath and new assistant, Coach Miterko with five returning lettermen, were ready for another fantastic year. The girls had a terrific season with 8 wins and 4 losses. They received second place in the Ferndale Lions Club Tournament in November. The players should be commended for their enthusiastic efforts and great achievements.

Basketball

Team work was the key to success for this year's basketball teams. The boys' enthusiasm and attitudes could not have been better. Under the coaching of Mr. Woodhead and Mr. Wagner, the varsity team was once again the Appalachian Conference East Champions and tops in the West Central League. Congratulations to the '75-'76 team.

Under the coaching of Mr. Wagner, the J.V. team had a successful season, also. Their effort and spirit was great.

For their fine work, the Jr. High team deserves to be commended.

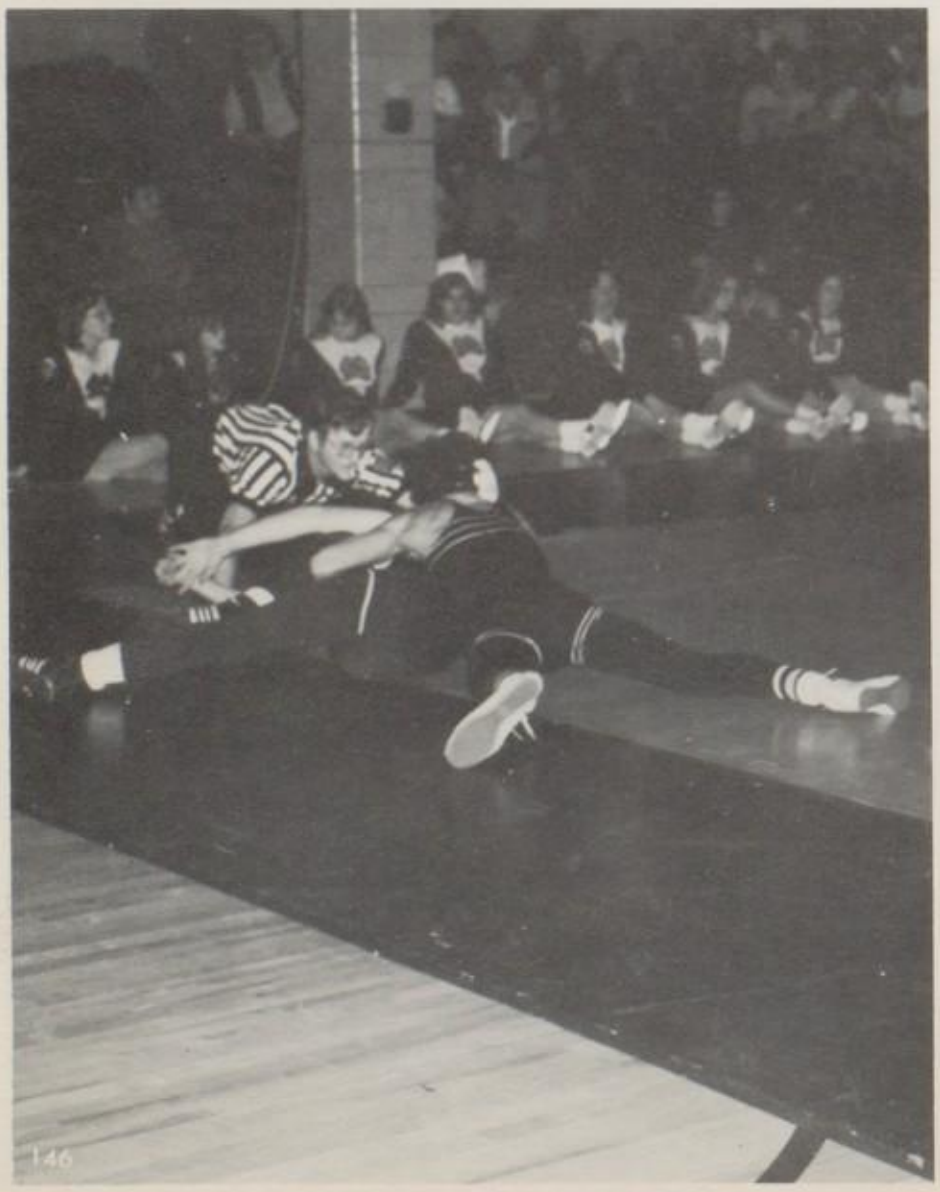
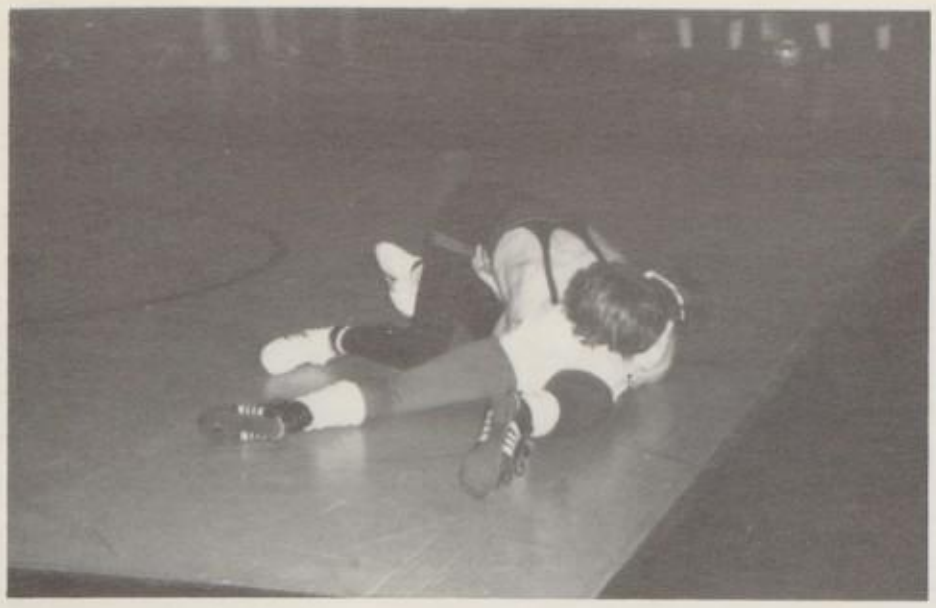
Suspense and breath taking moments — that's what our 1976 wrestling team provided for F.A.H.S. fans.

Under head Coach Rummel and assistant Speicher each team member of varsity and junior varsity gave his greatest efforts and enthusiasm to try to win for his team. The team provided encouragement and support by cheering each individual throughout his match. This is known as "Team Spirit," a key to success . . .





WOW! Our team did have it! With their determination and minds set on V-I-C-T-O-R-Y against their tough opponents, they pinned up a winning record. The wrestling squads gave their very best to F.A.H.S. and established a memorable season.

Closing

Two Hundred Years — how America has changed from its colonial days to the present Age of Technology. Although new concepts and inventions have revolutionized the American way of life, at least one thing has remained unchanged — the undying spirit of the American people. Throughout the years Americans have struggled to achieve their goals never losing faith in themselves or in their country. Such determination is what has kept America going for the first two hundred years.

I am glad that I live, that I battle and strive
For the place that I know I must fill;
I am thankful for sorrows. I'll meet with a grin
What fortune may send, good or ill.
I may not have wealth, I may not be great,
But I know I shall always be true,
For I have in my life that courage you gave
When once I rubbed shoulders with you.
